

Dear Suppliers,

to speed up the goods receive process and to reduce waiting times due to missing documents and not determined criteria we created Raw Material Unloading Rules.

In the future Budaval Zrt. is expected to receive goods from suppliers only in that case the requirements below are fulfilled.

- ✓ We can receive trucks within the opening hours:

From Monday to Thursday: 7,30 – 16,00

On Friday: 7,30-13,00

- ✓ We cannot accept reels stacked on each other.
- ✓ We accept trucks only if the truck is able to be unloaded from side and back as well.
- ✓ Pallets are not needed for paper reels / foil reels need to be in frame on pallets /pallets must be shelf-ready in any case (EUR1)
- ✓ We must get the necessary documents for the registration: invoice, packing list, delivery note, CMR, CoA (+ outside EU the documents need for custom clearance like A.TR). Suppliers must send them in advance by e-mail (beszerzes@budaval.hu).
- ✓ Depending on RM type the packaging type could be: one-way pallet, reusable pallet, IBC, drums on pallet.
- ✓ If the supplier wants to bring back the packaging (pallets, IBC) a special agreement has to be signed.
- ✓ In case of special requirements, packaging variations and different delivery conditions which are not covered in this document a special agreement has to be signed.
